

What an honor and privilege to be here in Toronto and participating in the first AFCM Canada Family Reunion in almost a dozen years. It is so exciting to see how God is moving here among the leadership. God has truly put together an outstanding group of leaders that make up the leadership of AFCM Canada.

After an incredible time of praise and worship, both in English and French, Jim Kaseman opened the conference by recounting how years of making seemingly small decisions by the leading of the Holy Spirit has resulted in seeing God do great and mighty things through AFCM. Everyone came away encouraged to follow Jesus in the simple day-to-day decisions of our lives knowing that God is doing great things through our faithful obedience. We were inspired to keep moving with the leading of the Spirit as God leads AFCM worldwide into the future.

**AFCM Canada Leadership**

It was wonderful on the first full day to hear from each of the regional directors about how God is moving across Canada. I had the responsibility of closing out the first morning by talking about the heart of AFCM for reaching the nations. We discussed the importance of recognizing that each of us is a part, a piece in the great mosaic of all that God is doing in the earth. We recognized that though the Great Commission must be

owned by us individually it can only be fulfilled by us collectively. We must be willing to see our ministries as a part of the Greater Whole. The Holy Spirit is strongly emphasizing the destiny that the nation of Canada has in the plans and purposes of God.

I was able to introduce the launching of the AFCM Canada's One World Missions office, under the leadership of Natalie Sicilia. Natalie exhorted the leadership of AFCM to unify behind a common vision for seeing Canada rise to the forefront in the expansion of God's Kingdom around the world. The morning concluded with God speaking to the leadership about taking a special offering to meet the financial needs of launching the OWM Canada offices. All of the monies for the start-up was raised in one miraculous offering.

We look with great anticipation to all that God is going to do in the years ahead through AFCM Canada. What a blessing to be a part of such a historic moment in history. I believe some day we

will look back upon this day as a new beginning, a new chapter in the great destiny God has reserved for the nation and the people of Canada.

### The Incarnation of Jesus

Dr. Jim Kaseman

God did not create man for death. Man was designed for eternal fellowship with God. He was created in God's very own image and likeness.
